Bulletin Number : SB-20000200-01

Month / Year : November, 2020

Date of implementation : January, 2021

---

### **Obsolescence of SICC2001, Comfort Cough**

#### **Background**

SICC2001, Comfort Cough was launched in June, 2011 in Korea with MFDS registration and in July, 2011 in EU countries with CE certificate.

But due to the discontinuation of key components of SICC2001 from 2021, Seoil Pacific Corporation is obliged to discontinue the manufacturing and sales of SICC2001, Comfort Cough from 1<sup>st</sup> January 2021.

#### **Service and Maintenance**

However, Seoil Pacific Corporation will continue to service and supply spare parts for SICC2001, Comfort Cough for five years from the date of obsolescence, with the last date of supporting being 31<sup>st</sup> December, 2025.

#### **Key Milestones**

- SICC2001, Comfort Cough obsolescence from **1<sup>st</sup> January 2021**
- SICC2001, Comfort Cough service and maintenance until **31<sup>st</sup> December 2025**

Best regards,

-----  
Kye Cheol Kim, CEO of Seoil Pacific Corp.
